Poster and Oral Presentations at the Arctic Emergency Management Conference

Arctic Emergency Management Conference 2025 will provide an opportunity to participate in its scientific session with poster and oral presentations.

Submissions for poster and oral presentations are welcome to the Arctic Emergency Management Conference 2025 under the conference themes or other Arctic emergency prevention, preparedness and response relevant topics.

- Search and rescue in the Arctic
- Marine Environmental Response in the Arctic
- Radiological and nuclear preparedness in the Arctic
- Wildland Fires in the Arctic
- Arctic Communities
- Health Preparedness in the Arctic

All contributions should be in line with the proposed themes and contribute to the priorities of Norway’s Chairship of the Arctic Council.

Submission form for posters and presentations

The deadline for submissions is 23 September 2024.

The Scientific committee led by Nord University will notify on acceptance for poster or oral presentation by 18 October 2024.
